## With Blogger and Page Creator

### A Continuum of Tools

- Page Creator
  - One-Way Tool
  - Users: One
  - Updates: Seldom
  - Format: Static Page
  - Use For: Teacher homepages or reference material, final products for student projects.
- Blogger
  - Two-Way Tool
  - Users: One to Many
  - Updates: Frequent
  - Format: Reverse Chronological (w/Archives)
  - Use For: Updating students and parents, communicating with peers and experts, reflective practice and professional development
  - Note: Podcasts are like blogs with audio or video!
- Wikis
  - Two-Way Tool
  - Users: Many
  - Updates: Frequent
  - Format: Dynamic Page
  - Use For: Collaboration with grade level teams or subject area departments, student group work, original class texts
  - Tip: Wikis include discussion forums!
